WiFi Finder Plus

Product Number	33086
Brand	Kensington
MSRP	$74.95
Street	$29.99

Locate wireless network hot spots fast!

The convenient, one-button WiFi Finder Plus quickly indicates signal strength for all 802.11b, 802.11b/g and active Bluetooth® enabled networks within range. Compact device attaches easily to laptop carrying case or key chain. Silver case with 6 LEDs and built-in flashlight. 1-year warranty and free technical support.

Features & Benefits

- Eliminate wasted time and effort booting up the laptop or PDA to find hot spots
- Convenient one-button detector searches and indicates signal strength if 802.11b or 802.11b/g network is within range.
- Separate indicator illuminates when within range of active Bluetooth® enabled device or network
- Filters out other 2.4-Ghz signals from cordless phones, cell phones and microwave ovens
- Compact unit fits comfortably in the hand and attaches easily to laptop carrying case or keychain
- Includes a built-in flashlight for added convenience
- 5 LEDs display hotspot network signal strength to correspond with most laptop signal strength meters
- 1-year warranty and free technical support
